

Replacement Exhaust Baffles

Protect Your Equipment

As well as optimize performance and improve reliability

Dürr Universal is your single-source supplier for replacement exhaust baffles.

It's vital to replace old, failing, and dangerous exhaust baffles because they can damage equipment. High-quality baffles from Dürr Universal deliver improved overall performance and peace of mind. We provide complete design, engineering, manufacturing, installation, and support capabilities.

DÜRR UNIVERSAL REPLACEMENT BAFFLES OFFER:

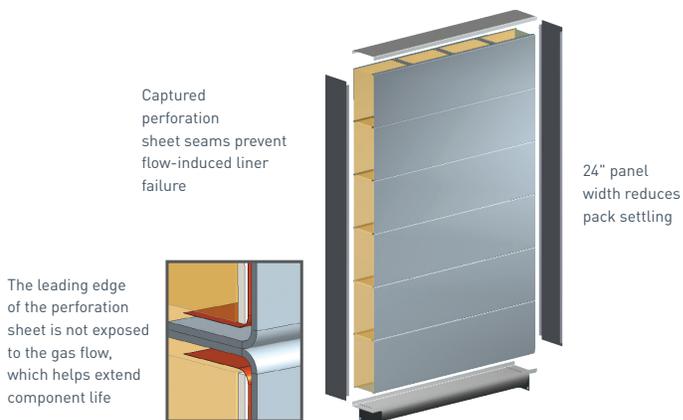

- Innovative life-extending design
- Modular design for easy installation
- Proven by over a decade of field use

HIGHEST QUALITY TURBINE AIR MANAGEMENT PLENUMS

Our internally lined exhaust plenums are designed and engineered to meet specific customer requirements. Installation procedures with Dürr Universal service crews provide a total turnkey capability with a safety-first environment for field installations. Assemblies are designed to optimize field installation which minimizes downtime during replacement outages.

DÜRR UNIVERSAL PLENUMS

- Flex-seal design that is engineered to meet and exceed your original equipment
- Internally insulated stainless steel liner system that enhances performance durability
- Custom engineering that ensures the right fit to your specifications
